 30 - Becker Mathie - JR
 32 - Sam Hammar - JR
 46 - Joe Lagorio - SR
 81 - Drew Otterlei - SR
 91 - Connor Shoemaker - SR
 Coaches: Nate Wohl, & Stephen Lederman

The Edina Ultimate program was founded back in 2002. The program had some high and low points during the early years. In 2010, a core group of Sophomores entered the program along with the team's current head coach and the program transformed, taking off in popularity within the school & showing success on the field. Every season since, Edina has been one of the top programs in the state of Minnesota, one of the largest programs in the midwest, produces the most YCC players in the state, and recently our graduates have gone on to play large rolls on elite college and club teams. We pride ourselves in taking successful athletes from other sports, as well as new players, & making them into athletes that are successful in the sport of ultimate. Our culture is to have fun, be spirited, & prepare our athletes for their future successes in life.

PiCup Notes: This is Edina's first trip to the Cup!
