

GIRLS: Holy Family Catholic, Cincinnati, OH

Omega began in 2010 for the Ohio State Championships. This team of homeschooled girls developed from the mixed team Revolution, which has been a part of Youth Ultimate Cincinnati since 2000. Nearly all the Omega girls played in a junior league before they reached high school and now help to coach young players. They enjoy playing in tournaments with challenging competition and good spirit of the game. The girls of Omega continue to grow girls' ultimate in Ohio by coaching and mentoring junior girls ultimate players and teams.

PiCup Notes: This is HFC Omega's sixth trip to the Paideia Cup.
